EXCELL
RAILING SYSTEMS LTD.

CABLE RAILING

Clean, modern railing with open sightlines, minimal maintenance, and lasting durability.

Built for safety and engineered to last for decades. Fabricated and powder coated in-house for consistent quality, durable finishes, and reliable long-term performance.

DESIGNED FOR CONTRACTORS

Precut and pre-drilled for quick installation, with durable 316 stainless steel cable and concealed Ultra-tec hardware hidden within the posts.

BUILT FOR HOME OWNERS

Safe, stylish cable railing system engineered for long-term performance, backed by warranty and virtually maintenance-free.
